

Minitab's Certified Training Partner for South Africa

Graeme Hay

Graeme started his Minitab journey in 2002 as an operations excellence consultant and is a passionate student of organisational improvement techniques. He believes that developing the critical thinking capabilities at the middle and senior management level is the key to sustainable change.

Graeme has worked mostly in Southern Africa and the UK, assisting mining, manufacturing, retail, and services organisations to realise productivity improvements in their value chains.

Graeme has a master's degree in Industrial Engineering Technology and is a Lean Six Sigma Black Belt. He is a faculty member of the University of Stellenbosch's Business School.

Please visit Continuous Improvement Consulting's website to learn more and engage with Graeme.

Graeme is based in South Africa and is currently Certified to deliver Minitab Essentials I & II in the Africa region. Graeme believes that developing the critical thinking capabilities at the middle and senior management level is the key to sustainable change.

Minitab's Certified Training Partners

Minitab helps companies and institutions to spot trends, solve problems and discover valuable insights in data by delivering a comprehensive and best-in-class suite of machine learning, statistical analysis and process improvement tools. Combined with unparalleled ease-of-use, Minitab makes it simpler than ever to get deep insights from data.

Training by Minitab® maximizes your ability to select the right method, work with the most efficient tools and validate results to drive effective data-driven decision-making. Discover our choices of public courses and onsite training on [Minitab.com](https://www.minitab.com).

Led by expert instructors, our hands-on courses use real-world examples to help you to:

- Understand powerful concepts, methods and tools
- Apply the concepts to address real-world business challenges
- Report to Management with evidence, accuracy and confidence
- Progress with the essential skills and knowledge for your role

By attending Training by Minitab®, you receive world-class training manuals to support your skills for years to come.

In order to help Organizations and individuals unlock the value of their data with Minitab Statistical Software no matter where they are in the world, we have Certified Training Partners so our users can benefit from Minitab Certified Training delivered locally
