Minitab 19.2020.1 (Windows)

Operating System: Windows 8 or 8.1, Windows 10
RAM*: 32-bit systems: 2 GB of memory or more recommended; 64-bit systems: 4 GB of memory or more recommended
Processor: Intel® Pentium® 4 or AMD Athlon™ Dual Core, with SSE2 technology
Hard Disk Space: 2 GB (minimum) free space available
Screen Resolution: 1024 x 768 or higher
Connectivity: An internet connection is required for activation of trial and single-user licenses
Browser: A web browser is required for Minitab Help. Chrome or Edge is recommended.

Additional required software will be installed with the application: Microsoft Visual C++ Redistributables for Visual Studio 2017

*Memory recommendations depend on data size.

Multi-user License Manager

Multi-user license installations also require the Minitab License Manager (verify you have the latest version of the License Manager), which has the following recommended system requirements:

Windows

Operating System: 32-bit & 64-bit Windows Server 2016, Windows Server 2019, or Windows 10. It is a best practice to run license servers on a server-based OS.
Hard Disk Space: 100 MB (minimum); dependent on log file settings
Connectivity: At least one enabled network interface card
